Dear parents and carers,

We have been alerted by Somerset Education Safeguarding that some editions of Andrew Cope's Spy Dog, Spy Cats and Spy Pups series contain a link to a website at the end of the book which contains highly pornographic content. The book asks children to explore the website to find more about the characters in the book and it appears the website identified (on the back or inside page) has now been compromised and takes users to a pornographic website with no age verification.

We have already checked for copies in our school library but ask if families can check if children have borrowed any copies so we can remove them from circulation.

You may also want to check if you have any copies at home.

Yours sincerely,

Leanne Hall
Headteacher
