Dear Parents and Carers,

We've Started Our Phonics Adventure!

We're thrilled to let you know that your child has now begun their exciting journey into early reading through Twinkl Phonics! This week, we've been exploring our very first phonemes: s, a, t, and p. The children have been busy learning to hear, say, and recognise these sounds through engaging activities and playful learning.

To support this learning, I've sent home a plastic wallet containing helpful resources for you to use at home. Inside, you'll find:

- A fun action for each sound to help with recall
- A letter formation guide to support early writing
- A catchy song for each phoneme to make learning memorable and enjoyable

We'd love for you to share in this journey at home. You can support your child by talking about the sounds, spotting them in books or signs, and encouraging them to say and write them. Every little moment of practice helps build their confidence and enjoyment of reading.

Thank you for being part of this special stage in your child's learning. We're so proud of how they're embracing phonics and can't wait to see their progress!

Mrs Gibson
