Dear Parents and carers,

We are writing to inform you that we will now be using **ParentPay** to send emails and important school communications going forward. This includes letters, updates, and other key information you need to stay informed about your child's education and school events.

To ensure you receive all communications without any issues, **please check that the email address you have registered on ParentPay is up to date and correct.** If you need to make any changes, please log in to your ParentPay account and update your details as soon as possible.

We are also looking into using **text messages (SMS)** for urgent or important notices. If you would like to receive texts from the school, **please make sure your mobile number is added to your ParentPay account.**

If you require assistance accessing your ParentPay account or updating your contact information, please contact the school office.

Thank you for your continued support.

Kind regards,

School Office
