RSE Parent Consultation 2026

As you may be aware, The Department for Education has announced changes to Relationships and Sex Education (RSE). These changes come into effect in all schools in September and we are therefore obliged to comply with the updated requirements. This means that we have been in the process of reviewing our RSE curriculum and policy, so we can be sure our provision meets the Government criteria and is appropriate for our children based on:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and/or disabilities (SEND)
- What pupils need to know to be healthy and safe in school, in their personal relationships and in the wider world

At Hambridge, we value the education provided by the RSE and PSHE curriculum in preparing our children for the wider world, their place in it and to be respectful, tolerant and accepting of all. We follow the SCARF PSHE Scheme.

As part of our policy review cycle, we welcome your views on:

• Our RSE curriculum and implementation
• How and when specific content is taught
• Any questions or comments you may have

In order to understand your views, please could you complete the following RSE survey.

If you have any questions about this, or any other aspect of your child's learning, please do not hesitate to contact me.
Yours sincerely,

Leanne Hall
