Dear Parents and Carers,

Discovery – Wednesday Forest School Sessions

I am very excited to share that, from **Wednesday 16th September**, Discovery Class will be spending part of each Wednesday afternoon taking part in **Forest School** activities.

A huge thank you to our PTA for funding my **Level 3 Forest School Leader training** over the summer holidays. Their generosity has enabled us to develop our Forest School provision, and I am excited to share the benefits of this training with the children throughout the year. Forest School provides wonderful opportunities for children to explore, investigate, create and learn in the natural environment.

As many of the activities will involve mud, water, and outdoor exploration, please send your child to school in their usual uniform and provide a **change of clothes that can get muddy**, along with suitable footwear.

As Forest School takes place in all weathers, we will still be going outside if it is raining. Therefore, waterproof clothing and wellington boots would be greatly appreciated on Forest School days.

I hope to send your child home with at least one piece of 'treasure' each week, whether that is something they have created, discovered or achieved, so that they can share their Forest School experiences with you.

If you have any questions, please do not hesitate to ask.

Kind regards,

Mrs Hamm
