Sporting Calendar 2026-2027

Dear Parents and Carers,

I am delighted to share our sporting calendar for the **2026–2027 academic year**. Following feedback from parents, we are pleased to share the sporting calendar in advance, allowing you to plan ahead and make any necessary arrangements with work commitments to attend each sporting event.

We are pleased to be continuing our partnership with the **Huish CLP**, giving our children the opportunity to take part in and compete in a wide range of sporting activities against schools from across the local area. The sporting calendar includes a variety of events and competitions, providing opportunities for children with different interests and abilities to get involved. We hope that as many pupils as possible will take advantage of these opportunities and enjoy being part of our school sporting community.

We apologise for the short notice for the first event which is Cross Country. This is taking place on **22nd September**. We appreciate that this does not give you much time to prepare, but we have only just received the sporting calendar from the Huish CLP. Letters will go out on Thursday for any child who wants to compete.

For all other events other than cross country, children will be invited to attend the sporting events throughout the year, as some competitions have limited spaces and we are therefore unable to take every child to every event.

We look forward to another exciting year of sport and to seeing our children representing the school with enthusiasm, determination and pride.

If you have any questions about this, or any other aspect of your child's learning, then please do not hesitate to contact me.

Kind regards,

Leanne Hall
