## Twinkl Phonics App

Dear Parents/Carers,

We are excited to share a new resource that will support your child's phonics learning at home: the **Twinkl Phonics App**.

This app is designed to reinforce the phonics skills your child is learning in school through fun, interactive activities and games. It allows children to practise letter sounds, blending, segmenting, and reading words, helping to build confidence and fluency in their reading.

### How to access the app:

- The Twinkl Phonics App can be downloaded from the Apple App store or accessed through the internet browser.
- Your child will be able to log in using their own Twinkl login which can be found in their reading record.
- Activities can be completed at home at your child's own pace.

This app includes all levels of the phonics scheme, so we recommend Foundation Stage focus on level 2 and 3 (currently being taught) and Year 1 focus on level 5 whilst also recapping level 4. Using the app regularly can help develop your child's reading and spelling skills and enjoyment of reading.

If you have any questions about the Twinkl Phonics App or need support accessing it, please do not hesitate to contact your child's class teacher.

Thank you for your continued support in helping your child develop their phonics skills.

Yours sincerely,

Miss Parsons

Assistant Headteacher
