

Dear Discovery Class,

Welcome to Spring 2! We hope you had a wonderful half term. Thank you to all our parents and carers for the support and encouragement you are giving the children, the work they are producing is excellent. This term our topic is magic and fantasy! Where possible learning activities will link to this theme.

We look forward to seeing you on **Teams** this week so that we can continue our learning journey together. Please see below the Teams timetable for this week.

Daily handwriting is an important part of Phonics and English. Please spend 10-15 minutes on handwriting every day. This may be practising writing tricky words or letters your child finds a little tricky to form. Please ensure your letters always start and finish in the correct place and that ascenders touch the line above and descenders fall below the line.
