Dear Parents and Guardians,

We believe that outdoor play is essential for children's creativity, problem-solving, and physical development. To enhance Discovery outdoor learning and play environment, we are looking to collect loose parts—simple, everyday materials that encourage imaginative and open-ended play. Loose parts allow children to build, explore, and invent, sparking curiosity and hands-on learning.

We kindly ask for donations of safe, clean, and reusable materials that you may have at home or work. Here are some suggested items:

- Wooden planks or offcuts (smooth and nail-free)
- PVC pipes or tubing
- Crates
- Old pots and pans
- Kitchen utensils- wooden spoons or ladles
- Wooden cable reels
- Tyres

If you have any of these materials or other items that may inspire creativity, please speak to myself or Mrs Allen in the office.

Your support will help create a rich outdoor learning environment where children can imagine, build, collaborate, and explore.

Best regards,

Miss K Royal
