Dear Parents and carers,

We are writing to inform you about an exciting update that reflects our commitment to working collaboratively within our Multi-Academy Trust (MAT). As part of our continuous efforts to enhance the learning experience and provide additional support to our school community, we will be benefiting from increased leadership capacity.

Starting from next week, **Mr Daniel Glentworth**, an experienced headteacher from within our MAT, will be joining our school team every Thursday morning. As you may be aware, I currently work 4 days a week, with 1.5 of these days having a teaching responsibility in Liberty class. As a growing school, Mr Glentworth's presence will provide additional leadership and support, ensuring that we continue to offer the best possible educational experience for your children.

This is a great opportunity for us to collaborate even more closely with other schools in our trust, sharing best practices and expertise.

Mr. Glentworth will be working closely with our existing staff and leadership team, allowing us to strengthen our capacity in key areas and enhance the support we provide to pupils and staff alike. We believe that this partnership will further improve the educational environment and offer new opportunities for the school to grow and develop.

Should you have any questions about this new arrangement, please feel free to contact the school office.

Kind regards,

Mrs Leanne Hall
Headteacher
