Dear Parents and carers,

Parents Evening Survey Results – Spring Term 2025

Thank you for taking the time out of your busy schedules to attend parent's evenings last term. If you were unable to attend and would like to speak to your child's class teacher, then please make an appointment with the class teacher via Mrs Allen at the office.

During parents evening, those that attended were asked to complete a quick, confidential parents survey about us as a school. I also put the link in the school newsletter for those that may have missed the opportunity to do the survey. The survey had 20 responses, and the results were extremely positive. I felt that I should share them with you.

The comments below are a snippet of those that were made on different parental responses:

"We feel Hambridge is an exceptional school, with a fantastic structure and kind, caring and compassionate teachers. 'Child A' and 'Child B' love it."

"Both children love the school, as do we."

"'Child A' is so happy at Hambridge and we couldn't be more pleased with his progress here, as well as the care the staff give him!"

"Superb school. Always supportive. The parent engagement is fantastic and my daughter loves coming to school every day."

We value the working relationship that we have with all parents and will continue to work hard to offer your child the best possible education. In particular, I have tried to work with staff this term in offering a more diverse range of clubs to children across all the age ranges. I have also tried to ensure access to these clubs are easier for all.

Thank you once again for taking the time to do the survey.

If you have any questions about this, or any other aspect of your child's learning, please do not hesitate to contact me.

Kind regards,

Leanne Hall
