Dear Parents and carers,

Over the next 2 weeks, your child will be taking their official Multiplication Tables Check in school (the deadline is Friday 13th June).

This is a useful tool that we use in school to make sure that the children are confident in knowing all of their times tables up to 12 x 12. It is also a way that we are judged against other schools in our area and nationally.

It is absolutely not something for the children to be stressed about though - we have done so many practise runs leading up to this point, that I know the children will feel confident in knowing what they need to do.

It would help your child enormously however if you could allow some time every day for them to practise on TT Rockstars at home.

Obviously please judge how long you would want them to be on a screen - a helpful framework could be no more than 30 minutes per day. At this point, the most useful tool on the app to use is Soundcheck, as this is most like the 6 seconds per question conditions that they will be facing.

As always, we very much appreciate your support in this.

Kind regards,

Rebecca Heath-Coleman
Bramley Class Teacher
