If your child will not be attending a club on any given week please can you inform the school office of this fact so that they can inform the club leader on the day. Once they sign up to a club, children are expected to consistently attend the club for its duration; normally a term in length. We do understand however that after attending for one week some children may decide that the club is not for them. If this is the case then please inform the club leader of this fact. If a club leader is unhappy with children's behaviour, parents will be informed and they may lose their place.
